Dear Dr Farhan Ahmad Khan,

I am delighted to inform you that you have now been ratified by the Board of Examiners at FPM.

In accordance with the current regulations of the Faculty of Pharmaceutical Medicine, the Board of Examiners conducts examinations for the Diploma in Pharmaceutical Medicine (DPM). The Board of Examiners is responsible for these examinations and, in particular, for setting and maintaining standards. The Board of Examiners is directly responsible to FPM's Education and Standards Committee in these duties. The roles and responsibilities of the Board of Examiners, including details of the responsibilities of individual examiners, are described more fully in the enclosed document.

Please note that you must undergo refresher examiner training and provide evidence of equality and diversity training at least once in each 3-year term of office.

This year's AGM will take place on Wednesday 9 December 2026, and I hope you will be able to attend.

We look forward to working with you.

Kind regards

Yours sincerely

Dr Kristina Strutt
Chair, Board of Examiners
